No experience within the industry. 100% back-up support from your highly qualified educator Danielle Louise.

Becoming a lash technician opens up lots of opportunities in the beauty industry. You can work as little or as much as you want.

You can make a huge return by offering semi – permanent eyelashes. The cost of the treatment is low and the profit is high.

<i>Treatment Type</i>	<i>Cost in eyelash emporium products</i>	<i>Average cost per treatment</i>	<i>Average profit per treatment</i>	<i>Treatment time</i>
<i>Classic individual</i>	<i>£1.00 - £1.50</i>	<i>£50 - £75</i>	<i>£49 - £73.50</i>	<i>1 hour 15minutes</i>

The industry is very fast moving and we ensure that are training and manuals are updated accordingly.

All our educators here at DLB are all still working in the industry, if they are not teaching in our class rooms then they are working within their own salons with very big clientele. We are very confident in the training we provide here as the educators have years of experience. We are all very passionate about what we do and this shows in our teaching.

Our small eyelash extension class sizes ensures that you have a great student: teacher ratio. The maximum class size is 6 students to 1 tutor. This ensures your individual needs can be addressed and you receive personal attention from your tutor.

After Your Training Day.

Once you have completed your full days training with us at DLB you have 3 months to complete 5 case studies on friends and family. We assess and analyse every photo. We give full feedback with every case study so you're learning continues after the initial training day. You learn from each case study and you demonstrate what you have learnt in your next case study. We see the improvement in each case study. Learning lashes takes time and is something that cannot be rushed. We will always respond within 3 business days to each case study. By completing 5 case

studies you will have had enough time to develop a good technique and be confident enough to go straight into the industry charging full price. We offer ongoing support to all our students. Even when you have gained your certificate we will always be available to help with anything we can. You will need good eyesight to train in eyelashes. It does not matter if you wear glasses, just be sure to bring them on the training day. You need to be able to focus clearly to be able to perform a treatment. You must be over the age of 18 to train in lashes.
